Whereas:

**10. 1. “Aggregate Liability”** is the aggregate liability limit towards all End users, Relying Parties and any other entities that are not Subordinate PKI Entities for the whole of the validity period of certificates issued by the Root CA (unless revoked or suspended prior to its expiry) towards all persons with regard to such certificates.

**10. 2. “Maximum Aggregate per Certificate Liability”** is the maximum aggregate per year liability on such certificates.

**10.3. “Global Liability”:** The total liability for all damages sustained by all Relying Parties is CHF 5,000,000 in the aggregate as specified in the WISEKey CertifyID Certification Practises Statement (“WISEKey CPS”). WISEKey administers all claims on a first-come, first-serve basis. You may only make one warranty claim related to a transaction regardless of whether you relied on multiple products and services on the same website. If the applicable aggregate limit in the table in this section is met, then you waive WISEKey of any liability for all remaining unreimbursed unauthorized charges.
